

## Creating an Account

Creating an account is easy!

1. Click the Login button.

2. Click Sign Up.

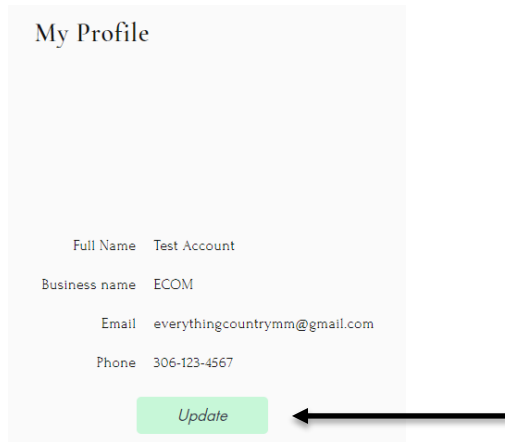

3. Complete the form and click Sign Up.

4. Click My Profile.

5. In the My Profile box, click Update.

The image shows a screenshot of a 'My Profile' form. The form is titled 'My Profile' and contains the following information:

Full Name	Test Account
Business name	ECOM
Email	everythingcountrymm@gmail.com
Phone	306-123-4567

At the bottom of the form is a green button labeled 'Update'. A black arrow points to the right side of the 'Update' button.

6. Update information as needed and add a profile picture if you like.
7. Click Submit.
8. You're done! The My Booking box on your profile will be updated as you register and complete necessary forms. You can always check back here if you forget some part of your booking!
