## Everything Country Outdoor Market

---

### Space Descriptions and Fees Spring 2023

#### Standard space

Standard spaces measure 12'x12'. They are open areas on the ground and do not include any tables or shelter. Vendors booking this space may provide their own shelter and tables or book tables additionally. Vendors wishing to park their vehicles next to their space will need to book onsite parking additionally.

#### Table space

Table spaces include one table and are the size of that same table. These spaces are small and are intended for vendors with only a few items. Tables spaces are set up next to each other to form a continuous row. No shelter is included with these spaces and there is no option for vendors to bring their own shelter or add additional tables to these spaces. Tables in the table space areas are not to be moved or rearranged from their position. Vendors requiring a chair must provide their own.

#### Vehicle space

Vehicle spaces measure 12'x28'. These spaces are intended for vendors to park their vehicle inside the space and set up in the area remaining directly behind the vehicle. These spaces are accessible to customers from one 12' side.

#### Trailer space

Trailer spaces measure 20'x50' and are intended for vendors wanting to park a trailer. Trailer spaces are designed to be pull-through sites for ease of access. Trailer spaces are located in the G section of the yard. No shelter or tables are included with this space. Vendors may provide their own shelter and tables or book tables additionally. These spaces are accessible to customers from one 20' side.

#### Electrical

Access to electrical outlets is only available for concessions in the food court (section B).

#### Food vendors

Vendors selling any type of consumable product<sup>1</sup> are required to complete an Appendix III food form in addition to the general application. Food forms must be received 3 weeks prior to the sale date.

#### Concessions

Vendors operating a concession<sup>2</sup> (meal or snack) are required to complete a temporary food license<sup>3</sup> form in addition to the general application. Vendors wishing to operate a concession should read the Information for Concessions document available on our website.

### Options and add-ons

Tables (8 feet): \$10 each

Electrical access: only available to concessions

<sup>1</sup>This includes but is not limited to baking, fresh fruit/vegetables, canning, preserves, honey, frozen foods, dry powdered foods, drink mixes, and food mixes.

<sup>2</sup>Concessions are divided into snack and lunch concessions. Snacks are those items intended for consumption at the sale, including but not limited to popcorn, mini donuts, cotton candy, pretzels, and snow cones. Meals are ready-to-eat meal items intended for consumption at the sale, including but not limited to burgers, fries, perogies, hotdogs, wraps/sandwiches, etc.

<sup>3</sup>Vendors holding a current food truck license are exempt from this requirement but must still complete the Appendix III form as a record of their attendance.
