Everything Country Outdoor Market

Space Descriptions and Fees Fall 2023

Standard space

Standard spaces measure 12'x12'. They are open areas on the ground and do not include any tables or shelter. Vendors booking this space may provide their own shelter and tables or book tables additionally.

Table space

Table spaces include one 8' table and are the size of that same table. These spaces are small and are intended for vendors with only a few items. Tables spaces are set up next to each other to form a continuous row. No shelter is included with these spaces and there is no option for vendors to bring their own shelter or add additional tables to these spaces. Tables in the table space areas are not to be moved or rearranged from their position. Vendors requiring a chair must provide their own.

Vehicle space

Vehicle spaces measure 12'x30'. These spaces are intended for vendors to park their vehicle inside the space and set up in the area remaining directly behind the vehicle. No shelter or tables are included with this space. Vendors may provide their own shelter and tables or book tables additionally. These spaces are accessible to customers from one 12' side.

Trailer space

Trailer spaces measure 20'x50' and are intended for vendors wanting to park a trailer. No shelter or tables are included with this space. Vendors may provide their own shelter and tables or book tables additionally. These spaces are accessible to customers from one 20' side.

Electrical

Access to electrical outlets is only available for concessions in the food court (section B).

Food vendors

Vendors selling any type of consumable product¹ are required to complete an Appendix III food form in addition to the general application. Food forms must be received 3 weeks prior to the sale date.

Concessions

Vendors operating a concession² are required to complete additional food forms dependent on their food license status. See the Information for Concessions document available on our website for more information.
